SUMMER SCHOOL PLANS DISCUSSED BY OFFICIALS

Conductors and State Superintendent Pinals of Training School Will Take Hold Conference to Map Place At Mechanics' Out Work.

Conductors of the fourteen summer schools in Virginia met in conference yesterday with State Superintendent of Public Instruction R. C. Stearnes and officials of his department to map out plans for the schools, to make recommendations for their improvement, and to offer suggestions regarding the professional courses required of those preparing to be teachers. New regulations as to certificates were discussed also, and an effort will be made to promote uniformity in the work of grading.

Though summer schools have been conducted for a number of years in Virginia, the meeting yesterday between those who have charge of their management and the States educational of the states of the
